Welcome and Introductions	
MDTP Data	<ul style="list-style-type: none"> • Rae Ann reviewed the testing data from this past Spring for MDTP and Daskala
Discussion <ul style="list-style-type: none"> a. Evaluation b. Modification c. Implementation 	<ul style="list-style-type: none"> • Discussion focused on a number of issues regarding tracking of students, documentation and process • A determination was made to send out a Survey Monkey with a list of questions to districts regarding level of fidelity, challenges, student movement, etc. • Michelle will wordsmith the questions and send out to districts as soon as possible. • The Placement Process was reviewed with the following notes: Districts do not necessarily complete the three bullets in box one (depends on grade level), not all districts used this as a placement for this year due to the lateness of the document, teacher recommendation didn't come from every school, cut points seem to be very accurate
Meeting Schedule	<ul style="list-style-type: none"> • Committee agreed to meet three more times this year – next meeting to occur in November
